Welcome to Parma Academy!

We are an Early Kindergarten to 5th Grade College Preparatory School, committed to creating a culture where community is valued, relationships are nurtured and creativity is unleashed.

We are excited to have you as part of Our Panda Family. This upcoming school year is going to be a great adventure together. Our building wide theme is, “Life is a Journey, it doesn’t matter where you are going, what matters is who you have beside you.” Each classroom will be a special destination. Besides our rigorous academics we will also develop character traits of being a good friend.

Our staff is preparing for a phenomenal year. We are looking forward to meeting you at Open House on Monday, August 16, 2021.

Sincerely,

Mrs. Copen
